For the last 4 years, School did not increase overall school fee, however, for the forthcoming Academic Session 2022-23, due to financial constraint, we are increasing the school's fee by 8 to 9%, to meet the staff salary cost and standard cost of establishment as per the norms of the Directorate of Education. Please contact the School Office on or before 7th April 2022; in case you are interested to pay fees on monthly basis instead of quarterly.

Due to some reason, if you wish to withdraw your ward, you should communicate the same in writing **on or before 26th March 2022** else you may have to pay the fees as per the rule.

So, once again we solicit your active engagement to another year of progress of our children. Let us work together to facilitate the best educational experience possible and make sure our children are well adjusted, happy and successful human beings. Our joint efforts will certainly create new dimensions of excellence for all our children.

Wish You All the Best. May God Bless You and Your Family.
