To

Ms. Zareen Taj
Additional Director of Education (HQ)
Education Department, Govt. of NCT of Delhi,
Civil Lines, New Delhi-110054.

Sub: - Placement Oriented Academic Diploma programs of CIPET: IPT- Murthal- reg.
Ref. : Our letter no. CIPET:IPT-MUR/LTC/CAT/2021-22/ dated 01.04.2022

Respected Madam,

1. In reference to our above quoted letter and follow up made by our officer, the undersigned wishes to take this opportunity to appraise about Placement Oriented Academic Diploma programs of CIPET: IPT- Murthal.
2. Central Institute of Petrochemicals Engineering & Technology (CIPET): IPT- Murthal has been functioning in the state of Haryana with effect from 2006, initially from Panipat and with effect from 2013 from our present campus, adjoining Deenbandhu Chhotu Ram University of Science & Technology- Murthal.
3. CIPET- Murthal was established jointly by State Govt. of Haryana & Govt. of India; with State Govt. providing land & building and Central Govt. Machinery & Equipments.
4. Historically; 1st CIPET center was established by Govt. of India under UNDP program in 1968 at Chennai. Presently there are 42 CIPET centers across India, functioning as autonomous body under Ministry of Chemicals & Fertilizers, Govt. of India.
5. A concern has been raised by higher authorities as to how to extend complete benefits of the activities of CIPET: IPT- Murthal to the students and Plastics Industries of NCR Delhi and Haryana. CIPET offers AICTE approved placement oriented Diploma programs, details of which are provided in the attached brochure of CIPET Admission Test 2022. Our Diploma programs are well recognized by Plastics Industry fraternity across globe and this is the backbone of our consistent placement record of more than 95%.
6. Now, we are trying to emulate efforts of Kendriya Vidyalaya Sangathan for the students of Govt. Schools of Delhi.
7. Through this letter, I request your cooperation in our efforts to spread the awareness about AICTE approved and placement oriented academic programmes of CIPET through the offices of Principal, Delhi Govt. Schools to their students of 10th & 12th classes. A letter of recommendation from your good offices will be highly helpful in our endeavors to make students of Delhi Govt. Schools aware about career opportunities available through CIPET academic programmes.
8. Your kind cooperation in this regard may be a life changing opportunity for the students.

Thanking you,

Regards,

Principal Director & Head
