MATHEMATICS

- Complete all assignments from the chapters completed in class.
- Revise all completed chapters thoroughly.
- Solve all textbook:
 - ❖ Examples
 - ❖ Exercises
- Complete Maths Lab Activities from the Maths Lab Manual.
- Find and write 1 real-life applications of each chapters covered on ruled sheets.
- Prepare a separate formula notebook including:
 - ❖ Important formulas
 - ❖ Theorems
 - ❖ Properties and identities
- Solve 2 Case Study questions from each chapter on ruled sheets.
- Practice previous years' CBSE board questions from the completed chapters.
- Solve one worksheet every week to improve speed and accuracy.
- Read about the contribution of any one famous mathematician.
- Keep all classwork, homework, assignments, and practical records neatly completed and updated.

Kindly Note: Students allotted Maths Models for Mosaic should submit after holidays.

Submit formula notebook separately and ruled sheets in a file after holidays.

ACCOUNTANCY

Q1. Revise these chapters thoroughly:

- CH-01: Accounting for Partnership Firm- Fundamentals
- CH-02: Goodwill- Methods and Valuation
- CH-03: Change in Profit Sharing Ratio
- CH-04: Admission of a Partner

Q2. Do these practical questions of the following chapters in notebook:

- **CH-01:** Test your knowledge. (given at the end of the chapter)
- **CH-02:** pg: 2.7, 2.8, 2.9, 2.10, 2.13, 2.21, 2.23, 2.24, 2.25
- **CH-03:** Q4, Q5, Q9, Q10, Q11, Q14, Q18, Q21, Q24, Q25, Q26, Q28, Q31 (unsolved)

Q3. SPECIFIC PROJECT WORK:

Choose **any Indian company** and collect:

- 1. Consolidated Balance Sheet**
- 2. Statement of Profit & Loss;** for the financial year **2025–26.**

Bring a **printed copy** of both statements.

For examples:

- Reliance Industries Limited
- Tata Consultancy Services
- Infosys
- HDFC Bank
- ITC Limited

Q4. Mosaic Exhibition Model-

Class 12 Emerald and Diamond students have been assigned different Accountancy model topics.

Submit your creative and original models by **2nd July, 2026.**

BUSINESS STUDIES

1. Do the following questions (Case studies, A-R questions and application-based questions) given on these page no's from the text book.

Chapter -1

Nature and Significance of management -

Pg no- 48 Q.no 8 &9

Pg no- 49 Q.no 10&16

Pg no- 50 Q.no 19

Pg no- 57 Q.no1to5

2.Chapter -2

Principles of management -

Pg no-116 Q.no11

Pg no-117 Q.no16

Pg no-118 Q.no 29

Pg no-119 Q.no 32

Pg no-120 Q.no15

Pg no-123 Q.no1 to 5

3.Chapter -11

Marketing Management -

Pg no-169 Q.no-1to 7

Pg no-174 Q.no 3

Pg no-175 Q.no 16

Pg no-177Q.no 25

Pg no-179 Q.no 35,38,39

Pg no-187 Q.no 1 to 5

Pg no-189 Q.no 1 to 5

4. Revise Chapters-01, 02 and 11.

5. TOPICS – CHOOSE 1 PROJECT OUT OF 3, Follow the same format as per CBSE guidelines.

P1. Principles of Management – Visit any business unit and observe Fayol's principles of management.

P2. Marketing Management – Develop your own product and apply 4Ps of marketing management.

P3. Principles of Scientific Management – Visit any business unit and observe Taylor's principles of Scientific management

CBSE PROJECT FILE FORMAT – SEQUENCE TO FOLLOW

Use A4 sheets, handwritten, interleaf-colored sheets recommended.

1. Cover Page – Title, Student Name, Class, Roll No., School, Session 2026-27,

2. Certificate –
3. Acknowledgement –
4. Index/List of Contents with page numbers
5. Introduction – Relevance of the topic
6. Topic with suitable heading
7. Objectives of the project
8. Planning & Activities done during the project
9. Observations & Findings
10. Case Study/Field Visit Details and Photos if any
11. Conclusions – Summarized findings, suggestions, future scope
12. Bibliography – Books, websites, newspapers referred
13. Appendix – Questionnaire, data, clippings
14. Teacher's Observation & Signature

6. **"Mosaic Exhibition model** – Students of classes 12 Emerald and Diamond assigned Business studies model with different topics will submit their work by 2nd July,2026. Make sure that the model is creative and original."

INFORMATICS PRACTICES

TOPICS: Pandas and Project Planning

PART A – PANDAS PRACTICE

Write programs using Python and Pandas:

1. Create a Series from a list
 2. Create a Series from a dictionary
 3. Apply head() and tail() functions
 4. Sort a Series using sort_values()
 5. Create a DataFrame for student records
 6. Add a new column in DataFrame
 7. Delete a column from DataFrame
 8. Filter records based on condition
 9. Find maximum and average values from DataFrame
 10. Create a CSV file
 11. Read a CSV file using pandas
 12. Display selected rows and columns from DataFrame
-

PART B – CBSE PROJECT PLANNING (THEORY WORK ONLY)

Students are not required to complete coding during holidays.

They must prepare a **project planning file** including the following sections:

1. Project Title
 2. Objective of the Project
 3. Features of the Project
 4. Hardware and Software Requirements
 5. System Analysis (Existing System and Proposed System)
 6. System Design (Flowchart, basic DFD, ER diagram)
 7. Database Design (tables, fields, primary key)
 8. Module Description
-

SUBMISSION INSTRUCTIONS:

- Pandas programs must be written in practical notebook
 - Project planning must be done in a separate file
 - No coding implementation or screenshots are required during holidays
-

GENERAL INSTRUCTIONS:

- Work should be neat and properly structured
 - Focus on understanding concepts and planning
 - This will support final CBSE project work
 - Will be considered for internal assessment and viva
-

Mosaic Exhibition Project – Students of classes 12 Emerald and Diamond will create a Mini Project on different topics showcasing their progress in Python Programming and will submit their work by 2nd July, 2026. Make sure that the project is creative and solves a real problem.

PHYSICAL EDUCATION

Assignment file

1. You have to organize a two days Basketball or Football Interschool tournament for junior boys and junior girls consisting of eight teams each. The tournament will take place in 4 weeks' time. You have been given a budget of Rs. 50,000/- Plan out the management of the tournament along with a timeline of preparation & events including the details regarding committees involved, tournament fixture and income expenditure report.
